PINEAPPLES FOR CHRISTMAS GIFTS

Fruit extra choice; selected and packed under Wells-Fargo supervision.

Wells Fargo & Co., Honolulu, T. H.

Gentlemen: While in Honolulu last August I had four crates of pineapples shipped to different places for presents to my friends. I have learned since that they reached them in splendid shape and were delicious and very satisfactory.

I now want to order a crate of 12 for myself. I would like them by December 15th. I enclose draft for same.

Wells Fargo & Co., Express, City.

Gentlemen: Having ordered and shipped through your company a goodly number of boxes of fresh pineapples during the past few years, I can say with great satisfaction that the most of them have reached their destination in absolutely perfect condition, whether sent to California, Missouri, Ohio, Massachusetts or Maryland. The testimony from one and all is that they have never seen or tasted such delicious fruit, also that the packing of same showed a great deal of care and attention.

Very truly yours,
CHAS. H. ATHERTON.

DIVIDES CITY TO GET CHECK ON PIPE LEAKS

To keep closer trace of the exact amount of water pumped to various districts of the city, General Manager of the Department Harry S. Murray has divided the city into sections, and will record each day the actual amount of water pumped to each section.

Heretofore Kaimuki and Waikiki have been classed in one division to which the Kaimuki pump furnished water, but henceforth the water pumped to each of these districts will be measured. By this record Murray hopes to confine further in his investigation for leaks. The water will be measured as it passes through the pipes. The Wilder avenue and the Makiki pumps, which furnish water to Manoa, will be watched carefully, likewise the Kalihi and Beretania pumps, which furnish the rest of the city.

This division into sections is in line with Murray's plan for a pitometer, which instrument he hopes to get to determine the location of leaks in case the pump records seem to show that leaks exist.

OFFICERS NAB MAN BELIEVED TO BE FORGER

Arrested yesterday as he was about to board the Sonoma, "John Frasier" is being held here for the San Francisco authorities, the Honolulu police believing that Frasier is Donald McKinnon, wanted for forging checks for more than \$900. Deputy Sheriff Asch made the arrest on information from San Francisco.

Under the name of Frasier the man came here on the Larline, and immediately after his arrival disappeared and could not be found until five minutes before the Sonoma sailed late yesterday.

Frasier, or McKinnon, had a number of traveler's checks for small amounts with him when arrested, and tried to get rid of them while being taken to the police station. As the San Francisco police said that McKinnon was using the name of Frasier, Deputy Sheriff Asch is positive that he has the right man.

JOINS BAND INSTEAD OF GOING TO REFORM SCHOOL AT WAIALEE

A young Hawaiian boy who has been looking for a horn in the Hawaiian Band during the last four months will have to abandon his vocation, at least temporarily, and spend the rest of his minority in the reform school at Waialee.

About four months ago the boy in question was committed to the reform school by Judge Lyle A. Dickey of the Kauai circuit court. As there was not an overplus of police officers on the Garden Islands at the time Judge Dickey decided that he would put the boy on his honor, and let him journey to Honolulu alone, trusting him to hand his mittimus to Probation Officer J. Anderson.

He came to Honolulu all right, but instead of reporting to Anderson, he joined the Hawaiian Band as a horn player.

Anderson got in touch with Peter Kalani, leader of the band, and learned that the boy was one of the musicians. He was to be removed to the reform school today.

At least 170 persons were killed and 300 injured in the typhoon in southern Luzon. The property loss is estimated at \$1,000,000.

MCKINLEY GRADS TO GATHER FOR GRAND REUNION

Members of the McKinley High School alumni association will gather at Heineke's Tavern, Waikiki, next Friday evening for their annual reunion, dinner and business meeting. It will be a gala night, with plenty of music and dancing and good things to eat, and a record attendance is predicted.

Although nothing definite could be learned, it is reported that some of the more illustrious members of the organization will have something to say regarding the work of the alumni association, and its growth during the last few years, and what it intends to do during the coming few years. Officers to serve during the coming year will be elected.

William Rosa, secretary of the association, requests that those members who contemplate attending notify him as soon as possible. Members of the association will be admitted free, and will be charged at the rate of \$1 for each guest. A large number of tables already have been reserved for the occasion.

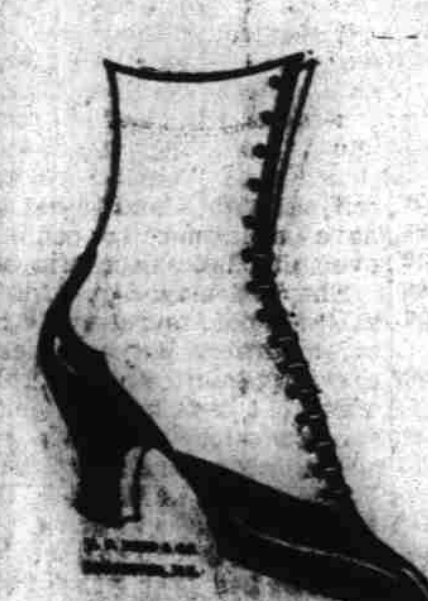

The second annual New England tuberculosis conference opened at Springfield, Mass.
